

FAQs

Q: Do I need to submit all document proofs, CGPA, and create the Master CV before the registration deadline?

A: No, you just need to register using your institute email ID and name on the portal. You can start entering your profile details later.

Q: My grades are still not out. How do I enter my CGPA?

A: Enter your estimated CGPA. The academic office will update it later, but do not leave it empty.

Q: What are the things I need to complete before the profile verification deadline?

A: - Fill in all the details in your profile.

- Do not leave any field empty in the Academic Information section.
- Select your current degree under the Academic Information section.
- Upload all required document proofs for profile verification.

Q: What documents do I need to upload for profile verification?

A: - 10th Board Marksheet

- 12th Board Marksheet

Q: What about CV points verification?

A: There is no fixed deadline for CV points verification. However, if you wish to register for any company later, you must get your CV verified. Upload proofs for each CV point in the profile section and send them for verification.
